Dear Sir or Madam:

The attached form PTO/SB/08 (substitute for form 1449A/PTO) identifies two (2) U.S. patent references and one (1) foreign patent reference. The copy requirement pursuant to 37 CFR 1.98 has been waived and therefore copies of cited U.S. patents and patent applications are not submitted with this Information Disclosure Statement. A copy of the cited foreign patent reference is enclosed herewith for the Examiner's convenience.

The documents listed on the accompanying form PTO/SB/08 are cited in compliance with the provisions of 37 C.F.R. §§ 1.56, 1.97 and 1.98, as amended. Applicant does not concede that the references are "prior art" under 35 U.S.C. §102 or §103, and specifically reserves the right to antedate such materials, as by a showing under 37 C.F.R. § 1.131 or otherwise.

These references were cited in an International Search Report for a corresponding PCT application and prior to receipt of any substantive Office Action. No fee is therefore required for filing this Information Disclosure Statement.

Respectfully submitted,
